A-Fixed

An extensive kit to meet the minimum legal requirement in larger workplaces with greater numbers of employees, suitable for industry and commerce. The kit includes a Resuscitation Face Mask as well as items essential to the type of workplace it is installed in. This kit is a lockable, wall mountable, high quality metal cabinet. OH&S compliant.

A-Mobile

An extensive kit to meet the minimum legal requirement in larger workplaces with greater numbers of employees, suitable for industry and commerce. The kit includes a Resuscitation Face Mask as well as items essential to the type of workplace it is installed in. This kit is available in a portable heavy-duty plastic container so the kit can be easily transported to the site of an accident. All items in the kit are OH&S compliant and Workcover approved.

- For 25+ employees at construction sites and high risk workplaces and for up to 199 employees at other places of work
- Regular restocking and replacement of used products
- Regular service properly maintains your first aid kit so they always comply
