

First Aid Car Kit

Technical Information

H 130mm

W 210mm

D 80mm

The Car Kit is recommended for all company vehicles. It is an essential travelling companion and means that first aid equipment is always on hand. The contents are kept in a zippered bag that is designed to fit in glove boxes or a smaller confined space.

Under the Occupational Health and Safety Regulation 2001.

(1) This regulation applies to all places of work, includes any premises, and in particular includes:

- (a) Any land, building or part of any building (b) Any vehicle, vessel or aircraft, all company vehicles - **cars, trucks and delivery vehicles must have a first aid kit.**

Sanokil First Aid has the answer for you
